REMARKS

This Amendment is responsive to the Office Action mailed approximately March 26, 2005. By this responsive Amendment, claims 3, 5, 8 and 12 have been cancelled without prejudice. Claims 1-2 were previously cancelled by an earlier amendment. Claims 4, 6, 7, 9-11 and 14 have been amended. Claims 22-25 have been added. No new matter has been inserted. Claims 4, 6, 7, 9-11 and 14-25 remain pending in the application. Applicant respectfully requests reconsideration of the Examiner's rejection.

Applicant has amended the claims to overcome the Examiner's objections. Rejected claims 4, 6 and 7 have been amended to change their dependency to allowable claim 9. Thus, Applicant believes that these claims are in condition for allowance. Newly added claims 23-25 mirror claims 4, 6 and 7 in language but depend from claim 11 which was also indicated to be allowable. Thus, new claims 23-25 are also believed to be in condition for allowance. Applicant has also amended the specification to overcome the Examiner's objection. The Title has also been amended.

In view of the above, Applicant respectfully requests that the Examiner withdraw the current rejection and objections and pass the application to allowance. Applicant has completely responded to the Office Action mailed approximately March 26, 2005. Favorable action is respectfully requested. Applicant also respectfully notes that the application is under an expedited status. If there are any additional charges, including extension of time, please bill our Deposit Account No. 503180.

Respectfully submitted,
